Dear Parents,

FJH has set a goal of providing the best possible technology in place for students and teachers to use at school. Our ongoing need is to expand our use of *Instructional Technology and Educational Programs* in our classrooms in order to prepare our students for the virtual world around them. This technology is already being used in many classes at FJH, but we need to continue to fund the purchase of additional technology and programs our classes need to stay current with software updates. To achieve our goal of raising \$20,000, we need your help!

This year, instead of conducting a traditional fundraiser, such as selling chocolate or cookie dough, we are asking our parents to help us by donating \$50. Your tax deductible donation of \$50 will eliminate the need for your child to go 'door to door,' and you won't have to pick up and deliver the products. Many parents have asked that we take this step, as they want to help, and a simple donation of \$50 makes it much easier. If \$50 is an amount higher than is comfortable, please donate any amount that will work for you. If you can donate more, that would be great as well! Many thanks to those who have already donated.

We appreciate you helping us reach our goal!

Michael Astugue, Principal

Please complete and detach the bottom of this letter and forward with your donation back to FJH in the first day packet provided. If you prefer, you can make your donation via the FJH Website using the *MyPaymentsPlus* tab by following the directions to:

FJH Fundraising Donation 2019-20.

As a reward for making our \$20,000 goal, ALL students will participate in a picnic during their lunches in October.
