

February 5, 2018

Dear Community Partner,

Fontainebleau Junior High School will hold its ANNUAL HURRICANE HIGHLIGHTS on Wednesday, March 28, 2018.

We will be showcasing the academic, artistic, and musical abilities of all our multi-talented students. This fun-filled family event features Live Entertainment, Art Displays, Exhibits, and Presentations. The evening also consists of Dinner, various Desserts, and an active **AUCTION**.

Would you be interested in donating merchandise or a service to our AUCTION?

In order to accomplish this goal, we need your help! It could be a **Merchandise donation/ Gift Certificate for a product or service/ Cash Contribution** – anything you feel is appropriate. Your contribution will be attractively exhibited in the auction area; your business will be highlighted in our program and on our sponsor sign. The money received during this event will be used to purchase and maintain technical equipment and to enhance the Instructional and Technological programs at FJHS.

No Gift or Service is too small or too large. Previous Hurricane Highlight Auctions were a great success largely due to the community involvement!

Hurricane Highlights draws a large number of families to the school, providing US an excellent way to showcase our students and YOU an excellent opportunity to support public education. *We encourage our families to patronize the businesses that support our school!* Your participation will also be publicized before and after the event on our school website and school newsletter distributed to almost 1000 students.

Attached is a donor form for your use. The information on this form helps us to correctly advertise your product/service to our families. If you have questions, please call Eileen Scoriels at 985-875-7501 (between 8:30 and 3:00 pm). ***Thank you for considering a donation to our school auction.***

Sincerely,
Hurricane Auction Committee

Your donation is tax-deductible. Tax ID# 72-6001305
