100 Hurricane Alley – Mandeville, Louisiana 70471 – 985-875-7501

Dear Parents,

As a school committed to continuous improvement, Fontainebleau Junior High strives to provide positive learning opportunities by offering a variety of sports. Within these sports, multiple levels of participation are available to provide developmentally appropriate instruction and to maximize opportunities for growth. Eligibility to participate in Fontainebleau Junior High athletics is a privilege a student earns by meeting standards outlined in the student handbook. Participation in athletics is an excellent learning tool for developing commitment, responsibility, teamwork, and character. Our goal is to turn student-athletes into successful young men and women.

Fontainebleau Junior High School's athletic teams participate in competitive, interscholastic sporting events. Teams are chosen based on student skill levels and sportsmanship. Coaches and athletes work hard to make our programs highly competitive.

Parental support is essential in maintaining the FJH athletic program. We need parents to help with concessions and admissions at every game. Please join the FJH Athletic Booster Club! Your commitment to our program is greatly appreciated.

In order for your child to participate in the Fontainebleau Junior High athletic program, you are required to provide the following documentation prior to try-outs.

1. Physical Exam
2. Health Insurance
3. Concussion Statement
4. School Waiver form
